

Data sheet and application

DIM L-10[©]

DIM L-10
W.-Nr. 1.5424

Characteristics

Must be applied, if it will be etched/grained.
Well applicable on nitrided materials.
Quenching and tempering, hardenable, nitritable, polishable, etchable, chrome platable.

Fields of application

1.2311/12
1.2162
1.5415
Container construction P235GH / P265GH / P295GH.
Q & T steels before hardening.

Chemical composition

C	Si	Mn	Mo	Fe
0,1	0,6	1,1	0,5	Rest
