Veldi	ing technology	For welding consumables and related productsNFL 1.4115Conforms to Workplace Hazardous Materials Information System (WHIMS) Rev. Nov. 1988Nov. 1988May be used to comply with Osha's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.Next 1000000000000000000000000000000000000
	Product and Company	Identification
.1	Product information.	
	Product type:	solid wire, high alloyed
	Product name:	NFL 1.4115
1.2	Supplier:	LAWITEX GmbH
		Hitdorfer Str. 10 c
		40764 Langenfeld
2.	Composition/Informat	on on Ingredients
	Description:	Die Produkte enthalten Chrom, Eisen und Molybdän.
	Risky ingredients: CAS-Nr.	7440-47-3 7439-89-6 7439-98-7
	Type of Ingredient:	Cr Fe Molybdän
	Ingredient [Gew%]:	2,5-10% 50-100% 2,5-10%
	Danger icon	not listed
	Risk category: Hazards Identification	not listed Different kinds of fume and dust
		occur during the welding and grinding process.Nickel oxides might occur, which are classified as carcinogenic. In addition irritant substances such as fluorides and manganese oxides as well as fine dusts (mostly iron oxides) occur.
4.	Emergency and first ai	
	medical aid immediately.	sposure. If breathing has stopped perform artificial respiration. Summon
	Inhalation:	If breathing is difficult, provide fresh air
	Skin contact:	and call physician. For skin burns from arc radiation, see physician. Affected skin has to be washed
	Eye contact:	carefully with soap. For radiation burns due to arc flash, see physician. Under flowing water wash out the wide opened eyelid
	After swollow:	not listed
	Fire fighting measures	not usable, the product is neighter flammable nor explosive
	possible fire extinguishing:	not usable
).	Accidental release mea	
	Release	not usable
	Handling and Storage	
7.1	Handling	
12	Advise of precaution measure	UVV (VBG 15) has to be follown
1.2	Storage Standarts for stockrooms/con	tainer: spezial standarts for stockrooms/container do not exist

Welding technology	 For welding consumables and related products Conforms to Workplace Hazardous Materials Information System (WHIMS) Rev. Nov. 1988 May be used to comply with Osha's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements. Maybe used to comply with Council Directive 2006/121/EC relating to the classification, packaging and labelling of dangerous substances. Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that. 	NFL 1.4115

8.	Exposure Controls/Personal Pr	otection				
8.1	additional advises for technical machines		The measures under point			
			7.1 has to be taken into consideration			
8.2	Components with working place					
	Values which must be supervised					
	Identification of Substance	CAS-No.	limit value			
	chromium	7440-47-3	2,5-10%			
	iron	7439-89-6	50-100%			
	molybdenum	7439-98-7	2,5-10%			
	nickel - oxide	1313-99-1	0,5 mg/m3 (TRK) Gesamtst.			
	manganese oxide (Mn3O4)	1317-35-7	0,5 mg/m ³ (MAK) Gesamtst.			
	fluorides	-	$6 \text{ mg/m}^3 (\text{MAK})$			
	ozone	10028-15-6	0.2 mg/m^3 (MAK)			
3.3	Personal safety equipment		·,8, ()			
	Respiratory, hand, eye, Safety and hybienic protection		follow UVV (VBG 15) §27 in the workroom drinking or eating is not allowed to			
9.	Physical and Chemical Propert					
	manifestation:		solid wire, high alloyed			
	safety relevant data:		not applicable			
10.	Stability and Reactivity		avoid contact with acids and bases Product is stable until 1200C.			
11.	Toxicological Information		follow point 3			
12.	Ecological Information:		Welding consumables and materials could degrade/weather into components originating from the consumables or from the materials used in the welding process. Avoid exposure to conditions that could lead to accumulation in soils or groundwater.			
13.	Disposal Considerations		Waste Disposal Method:			
	-		Prevent waste from contaminating the surrounding environment. Discard any product, residue, disposable, container or liner in an environmentally acceptable manner, in full compliance with federal, state and local regualtions.			
14.	Transport Information					
			No international regulations or restrictions are applicable			
15.	Regulatory Information					
15.1	registration mark		not listed			
	registration letter		not listed			
	Danger icon		not listed			
	Risk category		not listed
