Welding technology For welding consumables and related products Conforms to Workplace Hazardous Materials Information System (WHIMS) Rev. Nov. 1988 May be used to comply with Osha's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements. Maybe used to comply with Council Directive 2006/121/EC relating to the classification, packaging and labelling of dangerous substances. Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.
